Left wing is PMS Process Blue;
Right wing is PMS 369 Green.
All other elements are Black or
White.

F

Logo may be reproduced where
white is substituted for black on
any color field.

G

Logo can be reproduced in any one
color as long as all 3 elements are
the same color.

The Wings must never be outlined.

H

Logo must never be reproduced in
two colors.

Art must be scanned or use these
vector files for reproduction; do not
use your own fonts as they will not
match the logo font and will
invariably include a dot on the "i" in
Snowbird, which is not permitted in
the logo.

Remember: NO DOT ON THE "i"
